3. Notices to Skippers

The State Water Holding Polish Waters Regional Water Management Authority in Cracow, informs that: The navigation waterway on the Vistula River, the section from km 73+500 to km 75+600, on 24 September 2022, from 11:00 a.m. to 4:00 p.m. will be partially closed and canoeing will take place along the left bank of the Vistula River, at a distance not larger than 50 m from the bank of the river, so that the navigable route remains free along the right bank. [Details in notice to skippers No. 20/2022.](#)

The State Water Holding Polish Waters Regional Water Management Authority in Cracow, informs that: The navigable route on the Vistula River on September 10, 2022 from 10.00 - 14.00 will be partially closed on the section from km 87 + 500 to km 89 + 500 and canoeing will take place along the left bank of the Vistula, not more than 50 m from this bank, so that the navigable route remains free on the right bank. [Details in notice to skippers No. 19/2022.](#)

The State Water Holding Polish Waters Regional Water Management Authority in Cracow, informs that: National Water Management Holding "Wody Polskie" Regional Water Management Board in Cracow, informs that due to the conducted renovation of the guide wall in the lower outport of Kościuszko waterway, for the sake of safety of waterway users, night-time lockage is suspended from 8 July 2022 until further notice. [Details in notice to skippers No. 16/2022.](#)

National Water Management Holding "Wody Polskie" Regional Water Management Board in Cracow, informs that from 14 June 2022, the shipping lane on the Vistula River from 61+200 km (Tyniec) to 79+150 km is marked in accordance with Art. 5.02 of the Regulation of the Minister of Infrastructure of 28 April 2003 on navigation regulations on inland waterways (Dz.U. /Journal of Laws/ of 2003, No. 212, item 2027) and complies with the requirements governing the rules of night navigation. [Details in notice to skippers No.13/2022.](#)

From May 17, 2022 on the section of the Vistula River from km 223+600 - 223+700, due to the low flow in the river and periodic activation of the damming of the Połaniec Power Plant, located at km 223+650 of the Vistula River, there may be difficulties in navigation. [Details in notice to skippers No. 8/2022.](#)

National Water Management Holding "Wody Polskie" Regional Water Management Board in Cracow, informs that the shipping route on the Vistula River at km 175+400 to 295+200 is open for navigation. Due to ongoing repairs of the sluice gate on the Kosciuszko water barrage, from 02 March 2022 to 30 November 2022, may occur navigation difficulties. [Details in notice to skippers No. 3/2022.](#)

Because of disappearance of ice phenomena, from January 3, 2022, the locks at the Dwory, Smolice, Łączany (Borek Szlachecki), Kościuszko, Dąbie and Przewóz barrages, will be open for navigation. [Details in notice to skippers No. 1/2022.](#)

At the same time, we would like to inform you, that the navigation message [No.36/2021](#) is no longer valid.

The shipping route on the section from km 0+600 to km 92+600 of the Vistula River, is open to navigation with the limitation of its parameters indicated in the annexes: [difficulties 1](#), [difficulties 2](#), [difficulties 3](#).

From km 92+600 to km 175+400 Vistula River - this section is open to shipping. The required transit depth of 1.6 m is not maintained locally. Details can be found in the annex: [difficulties 4](#).

From km 175+400 to km 295+200 Vistula River - this section is open to shipping. The required transit depth of 1.6 m is not maintained locally. Details can be found in the annex: [difficulties 5](#).

*Note: the class IV waterway under construction (damming at the Dwory and Smolice steps is 1.0 m lower than the target).
